

Introduction to My SEND Learning Programme

This is My SEND Learning Programme. Included in my programme is information on:

- What is important to me and to my parents, including our goals and aspirations for the future.
- my strengths, my special educational needs (SEN) and my health & social care needs which relate to my SEN.
- the outcomes which will help me to move towards my goals and aspirations.
- the support given to me to help to make progress towards my outcomes.

My programme should be useful for those involved in supporting me and should actively promote co-ordinated support for me and my family so that I can make progress.
